Tell us about your business!
There are no wrong answers!

Yes! No!

Are your items handmade?

Does your business have a brick & mortar presence? (Your own or other)

Do you sell your items at other events/festivals?

Do your items include or incorporate beach glass in any way?

If yes... Do you source your own glass from nature?

If no... Do your items represent the beach or summer?

Can you incorporate beach vibes if asked?

Where (state/country/body of water) do you source your glass from?

Categories that best describe your products!
select any that apply!
